UNITED WAY

READINGPALS
LITERACY KITS

AUDIENCE

United Way knows that by making reading fun we can encourage more kids to read and improve early grade reading and long term in school success rates. That is why United Way has developed ReadingPals Literacy Kits. These kits are fun and interactive activities paired with favorite children's books. Host this volunteer event and help design and build the kits which are then distributed to kids at local schools and early learning centers.

Seeing the joy and excitement on the elementary kid's faces when we gave them the kits was priceless. We could see that the kits were going to make learning fun and that made the volunteer time just fly by.

*- Dr. Allen Bowns,
Johns Creek Dental Care*

UNITED WAY

FINANCIALPALS KITS

AUDIENCE

You can help children understand the value of money and saving by creating Financial Literacy Kits for United Way!

Literacy and early learning are critical to ensuring kids reading at grade-level. Help students reach these important Steps to Success by hosting your own financial literacy kit drive.

Each kit includes a book selected for a certain age level along with related activities custom-crafted for one-on-one interaction between a child and an adult reader: volunteer, parent or caregiver.

FINANCIALPALS LITERACY KITS

Project cost:call for pricing

Host a volunteer event in your office to assemble Financial Literacy Kits. Items to complete each kit includes:

- A clear piggy bank
- A calculator
- *The Case of the Shrunken Allowance* book
- Chore charts
- Budget charts
- Stickers
- Pencils

Kits include personalized labels with your company logo

Company recognition on our website and social media posts

Pictures of your team volunteer activity posted to social media

Complete kits will be picked up and used during a Financial Literacy event for kids and their parents.

United Way
of Forsyth County

AUDIENCE

United Way's Food and School Supply Drives connect individuals, professional teams, school and church groups, and entire organizations to meaningful volunteer work.

FOOD AND SCHOOL SUPPLY DRIVES

AMAZON WISHLIST

If you, your family or office would like to host a food drive remotely, use our Holiday Food Drive wishlist on Amazon! If you would like to host a different drive (diaper, toy, etc) on Amazon, let us know and we would be happy to set up a wishlist.

SUMMER FEEDING PROGRAM

We are work with local businesses and individuals to collect non-perishable food items to distribute to children during the summer break. Many of our county's students who receive free or reduced lunches during the school year, need help with meals during the summer months. Thanks to MSG Foundation for filling the gap and delivering 14,000 meals last summer. If you would like to help this summer, check our website for a complete list of needed food items.

STUFF THE BUS

Through Stuff the Bus, we work with local businesses, civic organizations and individuals to collect school supplies during the months of June and July for at-risk Forsyth County students. We then work with the Forsyth County School system and other local non-profits to identify students in need of assistance and distribute the supplies so that these students can begin a new school year with the items they need to be successful. If you would like to participate please check our website for a complete list of needed school supplies.
